I would request prayer for myself. As selfish as that may sound to some, I can't be any good for others if I am not good myself. As a Christian, I fully believe God is my strength and my shield and while I am currently in the midst of a horrible storm, I believe in Luke, "Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you." I pray to God to deliver me from these unthinkable circumstances and would ask you to pray for the same. I give thanks to God for my health, which is good and enables me to suffer this tragedy without ultimate peril or worse. And it's hard to get much worse than it currently is.
